## Liability for contents

The contents of our pages have been created with the utmost care and to the best of our knowledge. However, we cannot guarantee the accuracy, completeness and timeliness of the pages and content provided. As a service provider, we are responsible for our own content on these pages in accordance with § 7 paragraph 1 TMG under the general laws. According to §§ 8 to 10 TMG, however, we are not obligated as a service provider to monitor transmitted or stored third-party information or to investigate circumstances that indicate illegal activity. Obligations to remove or

blocking the use of information under the general laws remain unaffected. However, liability in this regard is only possible from the point in time at which a concrete infringement of the law becomes known.
